

MOTO MATT CARE

Special protective spray for matte surfaces

Description

Special matte protective spray for the perfect finish after cleaning a vehicle. Provides a lasting matte protective film on varnish and plastic with beading effect and anti-static properties. Also ideal for vehicles at trade fairs or showrooms.

Product features

- Perfect protection after cleaning
- Repels water
- Antistatic film
- Can be used on varnish, plastic, carbon, etc.
- Active foam with wax formulation

Application

Shake well before use. Spray MATT CARE onto a dry cloth (ideally the MOTOREX microfibre cloth) and rub across the areas in question, making sure to cover them thoroughly, before leaving to dry. Not suitable for gloss varnish, tyres, handles, seat, etc. Be very careful to avoid any contact with the brake discs. Do not use in direct sunlight. If in doubt, test on a non-visible surface to check compatibility

Notes

Performance tested under motor sport conditions!
